The Heavy-Duty Ground Mounting Bracket for Mini-Split Outdoor Condenser Units - Multi-Zone is an official Zone Air accessory sold direct by Zone Air (BNZ Distributing LLC) at \$159.99. The ground mount sized for multi-zone: a freestanding, powder-coated steel stand built for the larger, heavier condenser every Zone Air 2- and 3-zone system uses. It raises the unit off the ground — clear of standing water, grass, leaves, and snow accumulation — while rubber anti-vibration pads keep operation quiet, and anchor holes in the feet let you bolt it to a pad for a permanent install.
