The Heavy-Duty Ground Mounting Bracket for Mini-Split Outdoor Condenser Units - Single-Zone (9K-18K) is an official Zone Air accessory sold direct by Zone Air (BNZ Distributing LLC) at \$129.99. A freestanding ground mount for your outdoor condenser — the alternative to wall-mounting when you have the yard space for it. The powder-coated steel frame raises the unit off the ground, keeping it clear of standing water, grass, leaves, and snow accumulation while its rubber anti-vibration pads keep operation quiet.
